

Christopher R. Pfeiffer REGISTERED ARCHITECT, LEED AP, REALTOR®
PRINCIPAL

Chris acts as project executive overseeing the overall completion of projects to ensure client satisfaction.

Chris' career of over 15 years includes the establishment of CR architecture + design's first regional office in Denver, CO and extensive experience on a variety of project types in multiple states around the country. In 2015, Chris applied his passion and experience to start his own firm, **Pfeiffer Architecture + Development [pad]**, and associated with **Comey & Shepherd Realtors** to enhance long-term client relationships and offer integrated services in real estate, design, and development.

Chris is an active member in his community and outdoor enthusiast.
