FOR IMMEDIATE RELEASE

Northern Kentucky resident Christopher R. Pfeiffer has joined Comey & Shepherd Realtors as an associate specializing in residential sales. Chris is a Registered Architect and LEED Accredited Professional with Pfeiffer Architecture + Development [pad] and is affiliated with the Comey & Shepherd City office in downtown Cincinnati. Chris can be contacted at (859) 429-5254 or cpfeiffer@comey.com.

Before coming to Comey & Shepherd, Chris was a Client Leader and the Regional Manager of CR Architecture + Design's Denver, Colorado office for 10 years before moving back to the Cincinnati Metropolitan Area to recently start his real estate, architecture & development practice. His achievements include Professional Architectural Lectures in multiple states, memberships in multiple professional organizations, including Alumni of the Downtown Denver Partnership Leadership Program. Chris graduated from the University of Kentucky with a degree from the College of Architecture. He is a member of the National Association of Realtors, Ohio Association of Realtors, and the Cincinnati Area Board of Realtors.

Comey & Shepherd is a full service real estate agency focused on providing buyers and sellers with the guidance and expertise necessary to complete a successful real estate transaction. Brokering fine homes since 1946, Comey & Shepherd is a local company that takes a personal approach to their business. For more information about Comey & Shepherd, visit comey.com.
